RIW Construction Group Ranked by Chambers and Partners

By RIW on June 9, 2025

Chambers and Partners USA has once again recognized RIW's Construction Practice Group as one of the top construction law firms in Massachusetts—one of only twelve firms statewide to earn this honor in 2025. This recognition reflects the outstanding work and dedication of our Construction team, led by Chair **Kirk McCormick**, alongside **Kimberly Alley**, **Bradley Croft**, **Meghan Hall, David Robinson**, **Riley Grinkis Tully**, and **Julie Tarsa**, whose collective efforts have made this group so successful.

RIW's Construction Practice Group helps clients navigate all phases of a construction project, from bidding and contract formation to financing, performance, payment, project close-out, approvals, permitting, and occupancy. We represent developers, general contractors, subcontractors, architects, engineers, suppliers, and sureties on both public and private projects. **You can learn more about our scope and services here**.
