Client Alert: Massachusetts House Passes Cannabis Bill to Regulate Host Community Agreements

By Adam Barnosky on February 10, 2020

On February 5, 2020, the Massachusetts House approved a bill that would regulate host community agreements and related caps on payments from marijuana companies. If the bill is passed by the Senate and signed into law, it would grant the Cannabis Control Commission authority to review and regulate host community agreements as part of the state licensing process. More information **here**.
