Impact of the Pandemic on Restaurant Leases and Valuations

By RIW on August 24, 2020

RESTAURANT TRENDS

We thought you'd be interested in this summary put together by [Restaurant Trends Seminar](#) partner, the [Boston Restaurant Group](#):

In the past a "good" lease was always considered the most valuable asset of a restaurant.

Post COVID-19, it has become the restaurant's greatest liability.

I realize how difficult the past few months have been for everyone in the restaurant industry and I just wanted to share with you my observations, based upon my personal experience as a commercial real estate broker specializing in the sale, leasing and appraising of restaurant businesses.
