Super Lawyers®

RIW is pleased to announce that seven attorneys have been named 2023 Massachusetts Super Lawyers and two attorneys have been named Massachusetts Rising Stars. Bradley Croft was also named to the "Top 100" list in Massachusetts.

Each year, Super Lawyers recognizes the top lawyers in Massachusetts who are selected through a multiphase process consisting of independent research, peer nominations and peer evaluations. Selected lawyers received the highest point totals during the nomination, research and peer review process. Only up to five percent of lawyers are recognized to the annual Super Lawyers list.

Massachusetts Rising Stars are also based upon peer recognition and professional achievement. Recipients represent the top 2.5 percent of up-and-coming lawyers in Massachusetts.
