

Adam Gutbezahl to Co-Present a Rhode Island SHRM Webinar on How AI Can Enhance Everyday Business Practices

By RIW on January 4, 2024

On January 18 at 12pm ET, **Adam Gutbezahl** will co-present a webinar for the Rhode Island SHRM Chapter with Julie Alig from JLA Analytics on how AI can enhance everyday business practices, focusing on user-friendly tools and strategies that require minimal technical know-how. The session will also explore the legal side of AI, and will provide practical insights that HR professionals can confidently apply in their roles without feeling overwhelmed by technology.
