

Ruberto, Israel & Weiner Served as Legal Counsel to UFP Technologies for AJR Enterprises Acquisition

By RIW on July 10, 2024

Ruberto, Israel & Weiner is pleased to announce that client **UFP Technologies** recently acquired AJR Enterprises, LLC, a second-generation family-owned manufacturing platform of medical devices and advanced manufacturing solutions within the medical device industry. UFP Technologies designs and manufactures products primarily for use in medical devices and sterile packaging, as well as for the aerospace, defense, and automotive industries.

The RIW Commercial Real Estate Group represented UFP with respect to all real property aspects of the transaction. You can learn more about the range of services our team provides [here](#).
