

Ruberto, Israel & Weiner Served as Legal Counsel to UFP Technologies for Welch Fluorocarbon, Inc. Acquisition

By RIW on July 22, 2024

Ruberto, Israel & Weiner is pleased to announce that client **UFP Technologies** recently acquired **Welch Fluorocarbon, Inc.**, a New Hampshire-based company that provides thermoformed components to the medical device industry. UFP Technologies designs and manufactures products primarily for use in medical devices and sterile packaging, as well as for the aerospace, defense, and automotive industries. The acquisition of Welch Fluorocarbon, Inc. represents UFP Technologies' third significant acquisition in the past 30 days.

The RIW **Commercial Real Estate Group** represented UFP with respect to all real property aspects of the transaction. You can learn more about the range of services our team provides [here](#).
