The Industry: March 2025

By RIW on March 27, 2025

Hot off the press: the latest issue of *The Industry* is here! Our Restaurant & Hospitality Group has put together another value-packed edition, covering key legal insights and trends to help you navigate the hospitality industry. In this issue, we're diving into:

- **Franchise Leasing:** Whether you're a franchisor, franchisee, or landlord, **Eric Sigman** outlines what to consider before signing the dotted line. **Read more here**.
- **Liquor Licensing: Adam Barnosky** explains the process for securing a pledge of license as collateral for a loan.
- **What We're Reading:** *Unreasonable Hospitality*, a must-read about how going above and beyond in service can transform businesses and create unforgettable customer experiences.
- **Podcast Pick:** In the latest *Transaction Talk* episode, Megan Kearney discusses why it's never too early to start thinking about your exit strategy.

Whether you're an operator, investor, or just passionate about hospitality, this issue has something for you. **Check it out here**. Want to make sure you're the first to know about upcoming issues of *The Industry*? **Subscribe to our mailing list.**
