New Episode of Transaction Talk | The AI Shift: Redefining Work & the Future

By RIW on April 10, 2025

Check out the latest episode of Transaction Talk featuring attorney Adam Gutbezahl, an AI thought leader in the legal field. Adam breaks down how AI tools, especially Large Language Models (LLMs), are being used in business and the potential legal risks they pose. From the dangers of AI-generated misinformation to increasingly convincing phishing scams, he shares examples of AI misuse and how companies can protect themselves. We also discuss why every business should have an AI policy in place and how leaders can ensure their employees use AI responsibly. Whether you're excited by AI's potential or wary of its risks, this episode will equip you with the knowledge you need to navigate AI with confidence!
