

Restaurant Trends Social 2025

By RIW on May 30, 2025

On May 19th RIW celebrated its 31st annual Restaurant Trends with a cocktail party at SPIN Boston! As the firm's signature springtime event, Restaurant Trends has taken many forms over the past 30+ years; its presentation has evolved, the format has shifted, and the look and feel have changed with the times. But one thing has remained constant: it brings together Boston's restaurant and hospitality community for an evening of celebration, connection, and good cheer.

Thank you to everyone who joined us to keep the tradition going and help us spotlight the incredible work of [Spoonfuls](#), whose mission to combat food insecurity through food rescue is more important than ever. It was an evening full of conversations about exciting projects on the horizon, new partnerships taking shape, and reconnecting with familiar faces while making new connections across the industry!

A big thank you to CBIZ, Liquor License Advisor, and Cafco Construction Management for their generous sponsorship and ongoing commitment to the industry. Their partnership helps make this possible, and we are so appreciative. Here's to many more years of connection, collaboration, and celebration through Restaurant Trends!
