RIW Client Row 34 Opens New Location in Kenmore Square

By RIW on August 8, 2025

Congratulations to RIW client **Row 34** on the opening of their newest location in Kenmore Square! Founders Shore Gregory and Jeremy Sewall return to familiar ground, opening their fifth Row 34 in the very space where they first launched Island Creek Oyster Bar back in 2010. This beloved New England seafood destination offers a fresh take with new menu additions alongside classic favorites.

RIW's Restaurant and Hospitality Group handled alcoholic beverages licensing for this matter. With over 40 years of experience, our team understands the unique legal challenges faced by our clients, providing proactive, strategic guidance on operations, expansion, employee matters, and industry-specific management to help them anticipate and meet their business needs. **Learn more about our approach and services here**.
