ChatAdamG: September Newsletter

By Adam Gutbezahl on September 9, 2025

In September's issue of the ChatAdamG newsletter, **Adam Gutbezahl** highlights the latest employment-related AI news, including:

- Nearly 2 in 5 people would prefer an AI manager over a human, according to CalypsoAI.
- A discrimination lawsuit against SiriusXM for using AI to screen job applicants.
- A new partnership between the U.S. General Services Administration and OpenAI to bring AI tools to federal agencies.
- And, of course, the joke of the month!

Whether you're an HR professional, a business owner, or just curious about AI's impact on the workplace, this issue offers helpful insights for navigating the evolving legal landscape. **Read the full September issue here**.
