

# RIW Client Green Meadows Opens Third Cannabis Dispensary

By RIW on September 16, 2025

Congratulations to RIW client **Green Meadows** on opening its third cannabis dispensary, located in Marlborough, MA. Green Meadows' story stretches back to 1928, when General George S. Patton, Jr. purchased the Hamilton, MA, land that became the organically certified Green Meadows Farm. The farm has transitioned from traditional agriculture to cannabis production, now offering products to adult-use and medical customers alike.

RIW's **Adam Barnosky** handled the site acquisition, leasing, and permitting for this project, helping bring Green Meadows' vision to life. Our Cannabis Practice Group brings broad experience across the industry and a strong understanding of the unique business and regulatory challenges cannabis companies face.
