

RIW Client CereVasc Enters into New Lease

By RIW on November 18, 2025

Congratulations to RIW Client, **CereVasc**, on successfully entering into a new lease for office, light manufacturing, and R&D at 200 Ballardvale Street, Wilmington, MA. CereVasc is a medical device company focused on developing novel, minimally invasive treatments for patients with neurological diseases.

It was a pleasure working with the CereVasc team, as well as Matthew Daniels and his colleagues at JLL, Carly Kiernan and Griffin Zink. **Michael Rosen** led RIW's legal team on this transaction. [Learn more about the services of our Commercial Real Estate team here.](#)
