ChatAdamG: December Newsletter
By Adam Gutbezahl on December 10, 2025

Hot off the press! In December's issue of the ChatAdamG newsletter, **Adam Gutbezahl** highlights the latest employment-related AI news, including:

- The growing legal battles around AI copyright and federal vs. state regulation
- What employers should be thinking about as AI-powered glasses hit the market
- A fascinating new study on whether chatbots tell you what's true, or just what you want to hear
- A new "Song of the Month" feature, highlighting AI-generated cover songs

If you're curious about how AI is evolving, and how it impacts your business, this month's newsletter is a must-read. **Check out the full issue here**.
