

Adam Barnosky Named to Massachusetts Restaurants United Board of Directors

By RIW on June 10, 2026

Congratulations to RIW attorney **Adam Barnosky** on his nomination to the Massachusetts Restaurants United Board of Directors! The board plays an important role in shaping a mission that began in 2020, when MRU emerged as the voice for independent restaurants during COVID. As the Massachusetts affiliate of the Independent Restaurant Coalition, MRU continues to elevate local concerns to the national stage, working alongside the Congressional delegation to push for meaningful federal support.

As the chair of RIW's **Restaurant and Hospitality Practice Group**, Adam is already closely involved with the restaurant community and looks forward to supporting the growth and resilience of Massachusetts' independent restaurants in this new role.
