

## In Memory of Eric Shediak, RIW Banking Department Attorney

By RIW on June 1, 2026

It is with profound sadness that we share the loss of our colleague and friend, Eric Shediak, who passed away on May 9, 2026, after a long illness. Eric joined RIW in 2024, bringing with him decades of experience in banking and finance, commercial real estate, and business law. He was a trusted advisor to his clients and a valued colleague to everyone at the firm. Eric met every challenge, including his illness, with the same optimistic spirit and grace he brought to everything in life. He was quick-witted, lighthearted, and a genuine pleasure to be around. We extend our heartfelt sympathies to his wife and children. He will be deeply missed.
