

RIW Construction Group Recognized by Chambers and Partners

By RIW on June 5, 2026

Chambers and Partners USA has once again recognized RIW's Construction Practice Group as one of the top construction law firms in Massachusetts—one of only thirteen firms statewide to earn this honor in 2026. This recognition reflects the outstanding work and dedication of our Construction team, led by Chair **Kirk McCormick**, alongside **Kimberly Alley**, **Bradley Croft**, **Meghan Hall**, **David Robinson**, **Adam Gutbezahl**, **Lauren Haskins**, **Riley Grinkis Tully**, **Julie Tarsa**, and Gina Marquardo, whose collective efforts have made this group so successful.

RIW's Construction Practice Group helps clients navigate all phases of a construction project, from bidding and contract formation to financing, performance, payment, project close-out, approvals, permitting, and occupancy. We represent developers, general contractors, subcontractors, architects, engineers, suppliers, and sureties on both public and private projects.
