

# **Information Technology**

### **APPROACH**

Ruberto, Israel & Weiner's Technology Business Group is highly skilled at representing companies that provide IT services, such as business process outsourcers, application service providers (ASPs), and other companies that implement and support computerbased systems including enterprise applications and hardware. We have a keen understanding of the marketplace, and are knowledgeable about the business practices, types of transactions, and legal issues that companies in this sector face.
