APPROACH

Ruberto, Israel & Weiner's Technology Business Group is highly skilled at representing companies that provide IT services, such as business process outsourcers, application service providers (ASPs), and other companies that implement and support computer-based systems including enterprise applications and hardware. We have a keen understanding of the marketplace, and are knowledgeable about the business practices, types of transactions, and legal issues that companies in this sector face.

CONTACT

For more information, contact [Russell N. Stein](#) at (617) 742-4200 or rns@riw.com.
