TESTIMONIALS

Ruberto, Israel & Weiner M&A attorney, Gary Bubb, represented Precision Coating Co., Inc. in their acquisition of Boyd Coatings Research Co., Inc.

Client Quote

"This is our fourth completed acquisition working with Gary Bubb of RIW. He and his firm are exceptionally responsive in these very time and issue intensive periods and provide very high quality legal services both relating to the acquisition and deal financing along with tax, general corporate, and employment subjects. Our counter parties often retain national firms but our counsel help us keep ball-control, and we find we get consistently superior value out of our engagement. Consequently, Gary has been a key contributor to our success."

Tim Cabot, President & CEO, Katahdin Industries, Inc.

"Ruberto, Israel & Weiner is my go-to law firm... from the most important moments in my business life, to the day-to-day operational issues. Always available, on time and on budget."

Their recent outstanding work on a complex acquisition is just one example of how their expertise and commitment to getting the deal done makes all the difference. When it counts, Russ, Howie and the entire RIW team deliver."
