APPROACH

Ruberto, Israel & Weiner's Trademark & Copyright Group is a multi-disciplinary team of corporate and litigation attorneys with knowledge and expertise in the areas of trademark and copyright law. Our group brings a strong tactical and practical approach to our clients' most pressing business IP issues. We focus on trademark, branding, and copyright counseling and strategic planning; trademark and copyright registration, maintenance, licensing, enforcement, negotiation and dispute resolution, and litigation services. Our trademark portfolio clients are international, and our team is experienced in assisting clients with the registration and enforcement of their trademarks worldwide through our global network of associated firms.

LEAN STRUCTURE

We have a team of highly qualified and experienced lawyers who can quickly grasp critical legal and business issues. Our expertise combined with our lean "boutique" structure allows us to provide effective advice quickly, and help you reach your business goals in a timely and cost-effective manner.
